55 Years: Rooted in Community, Growing Together

About the Event

Join us for a **festive, community-centered garden celebration** honoring 55 years of service to children and families at Crispus Attucks Children's Center (CACC).

This special afternoon will bring together families, alumni, community leaders, and supporters to celebrate our history and recognize our impact at a joyful gathering featuring music, local food, and opportunities for connection.

We are proud to honor **Lesley Christian**, former Executive Director, whose leadership helped shape CACC into the trusted, community-rooted organization it is today.

Proceeds from the event will support CACC's programs serving infants, toddlers, and preschoolers—and help ensure families have access to the care, education, and resources they need to thrive.

About CACC

Founded in 1971, Crispus Attucks Children's Center (CACC) works alongside families to nurture and educate our youngest learners in a safe, welcoming environment rooted in community and care.

Each year, we serve more than 200 children and their families from Dorchester, Roxbury, Mattapan, and surrounding neighborhoods.

95% of families receive childcare subsidies

91% of children are classified as high-need

Full-day, year-round early education

Through our **CAFÉ (Crispus Attucks Family Engagement) program**, we connect families to critical resources, expand access to mental health supports, and strengthen the bridge between home and school.

Why Your Support Matters

Public funding does not cover the full cost of care—leaving an average gap of nearly **\$3,000 per child each year**.

You help us close that gap and ensure every child has access to high-quality early education and every family has the support they need.

Who You'll Reach

200 guests

Families and alumni of CACC
Community leaders across Dorchester, Roxbury, and surrounding neighborhoods
Corporate and foundation partners
Local elected officials and advocates

Honoring Lesley Christian

For decades, Lesley Christian led CACC with vision, compassion, and an unwavering commitment to children and families. Her leadership helped shape CACC into a vital community anchor, and we are honored to celebrate her legacy as part of this milestone event.
