

Sponsorship Opportunities

CACC is hosting a first annual community festival! This event is free and open to everyone in our community: families, supporters, partners, and neighbors. Join us for food, music, games, and more!

Let's come together as partners to celebrate the importance of early childhood education's impact on helping all our children reach their full potential. The Community Festival gathers us in solidarity, showcasing our collective commitment to nurturing young minds and building strong foundations for learning in the lives of over 200 children in our neighborhoods each year.

Your sponsorship of CACC's First Annual Community Festival will support our efforts to engage with the local community, raise awareness about our services, and foster connections that build on our work for the well-being and development of each and every child.

To sponsor, or for more information, please email David at dbresnahan@crispus-attucks.org, call 617-729-4930, or visit crispus-attucks.org/communityfestival.

1ST ANNUAL COMMUNITY FESTIVAL

SAT. JUNE 29, 2024 - 12-3PM
